

**D/27 Rendezvous
Info for Hotel Reservations
Wilmington, NC
August 25-26, 2017**

The reservation code for your guests to use when making reservations is **DPS**. When people go on to <http://www.wilmingtonhilton.com/> to make reservations, they will put in the requested dates and a screen will come up with a box for the group code. They can enter the code up until your **Cutoff Date: Tuesday, 07/25/2017** and receive your rate. After the cut-off date, we may not be able to accept the discounted rate based on availability.

Keep in mind if they want to come a day early or stay a day late, they may not be able to make the reservation on line. If that happens just have your guests call the hotel directly Monday-Friday between 9am and 5pm (910) 763-5900 and ask for Reservations. They will check availability of the discounted rate.

If you have any questions, please do not hesitate to contact your Sales Manager or myself. Have a great day!
